FOREWORD

Believing that a graphic portrayal is the most preferable medium of expression for University Life, this year's Blockhouse Staff presents to you a book which attempts to record in pictures the more important events of the year those interesting side lights of people and events which make college life more enjoyable more profitable and a little more worthwhile.

While laboring under a reduced budget in the face of increased prices for all materials included within the book, the Editor hopes that in spite of this, the book will be a worthy addition to your library.

DEDICATION

IN unison with the present era, this University publication is appropriately dedicated to the spirit of progress. That progress which is everywhere evinced in the building proper—the physical aspect—and in the alertness of the student body—the mental aspect. From lowly surroundings, the University has expanded and prospered. Obstacle after obstacle has been surmounted until now we have reached a commanding position of leadership and respect within the Community.

This 1934 graduating class has the distinction of being the first class to have passed four years within the walls of the present edifice. They entered the building to the tune of vibrating hammers and chisels, the aroma of fresh plaster and paint, and the sight of unlandscaped grounds. They leave it now a stately entity under the capable guidance of the President, Phillip C. Nash, a man of vision and ability. It remains for him to coordinate the gains of his predecessors with his own achievements for the advancement of the University. We have faith in his aggressive spirit, for already, through his efforts, we have the promise of the addition of three new buildings to the campus—a project which cannot but add to the prestige of the University and accomplish a centering of the activities and college life.

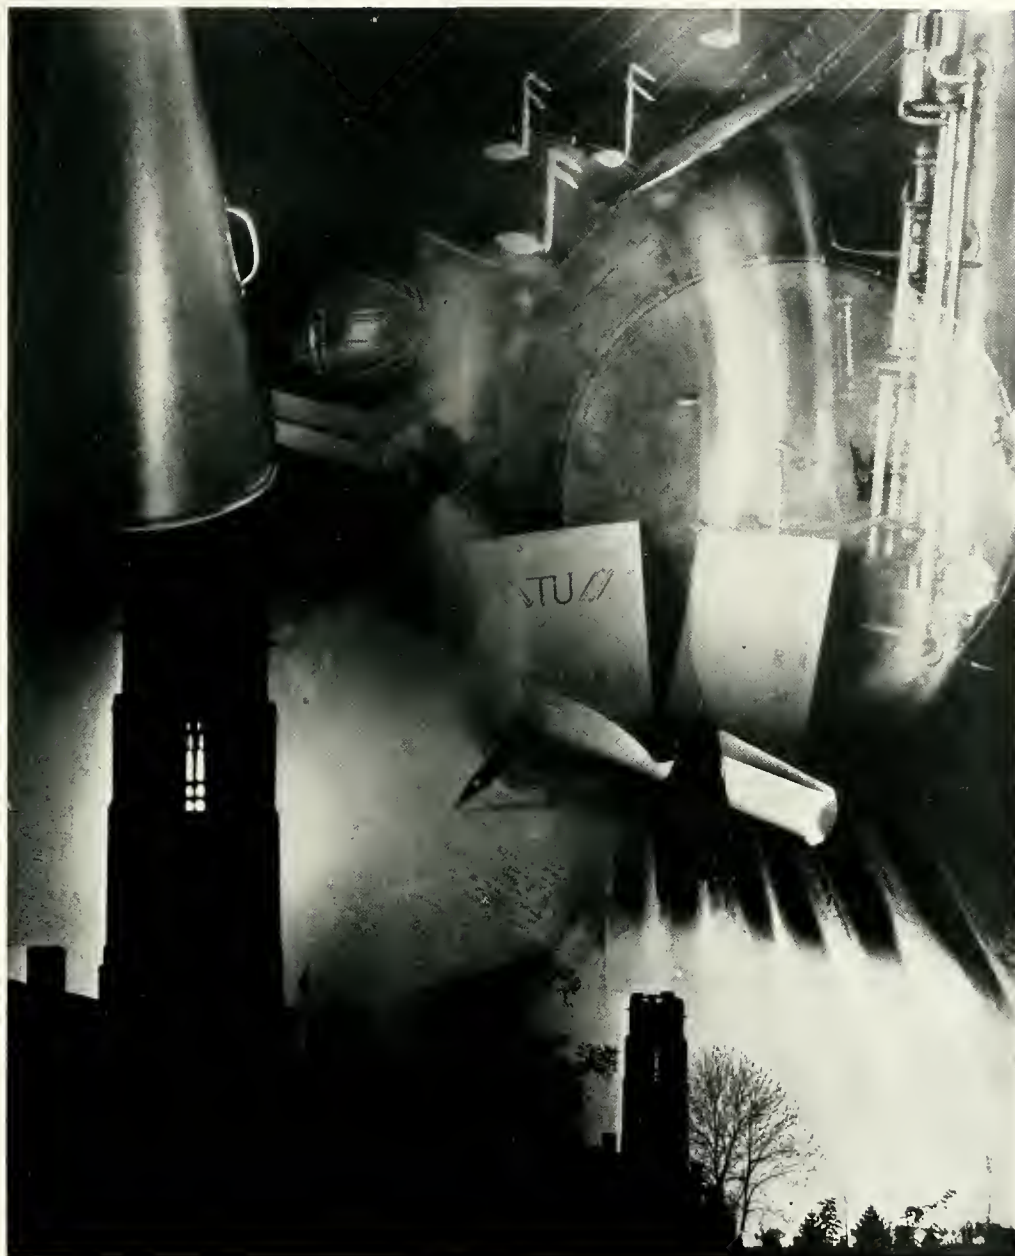

Thus we, the students and the faculty of the greater University of Toledo, dedicate this 1934 edition of the Blockhouse to the indomitable Spirit of Progress of the University.

PRESIDENT

Philip C. Nash, the new University President, has proved that he is an aggressive leader. Coming to the University this August, he has already succeeded in getting three new buildings on the campus, which will be extremely useful in boosting the prestige of the University, and in building up a better University spirit by providing a common meeting ground which will promote a better campus life. He is strong for more student leadership and for more student participation in running the University.

VICE-PRESIDENT

LEE W. MACKINNON

Probably the busiest man at the University of Toledo is Dean Lee W. MacKinnon, who is Vice-President of the University, Dean of Administration, Director of the Junior College and Chairman of the Faculty Committee on Attendance. He has acted as President of the University three times in the past seven years. In spite of the fact that he is always busy, his cheerful attitude, his ever-present whistle, and his tact and wisdom have won him a place in the hearts of all of us. His philosophy seems to be that, it is the little things in life that count.

THE DEANS

CLAIR K. SEARLES, *Dean, College of Business Administration, Ph. D.*—Traveled to Orient several times—to Japan, China, Korea, and Manchuria last summer—around world once—likes to read and see better movies—has four children—likes to go camping—is working hard to build up The College of Business Ad.

ANDREW J. TOWNSEND, *Dean, College of Arts and Sciences*—Likes gardening when someone else does the gardening—spends as much time as possible with his family—has three children—prefers legitimate theatre to movies—attends Forum—likes contract bridge—plays golf when he hits the ball.

PAUL STANSBURY, *Director of Graduate Study*—Enjoys stories, nature study and the country—member A. A. U. P.—hates receptions—interested in primitive people and pioneer life—likes Helen Hayes and Marie Dressler—plays are his favorite winter amusement.

DAVID W. HENRY, *Dean of Education*—Interested in dramatics—follows University Dramatic Association closely—relaxes at gardening—swims whenever he gets a chance—vacations at his cottage at Howard Farms—likes to watch and participate in athletics—enjoys bridge.

KATHERINE EASLEY, *Dean of Women*—Is consistently inconsistent—has strong likes and dislikes—prefers Brahms, Tschaikowsky, and Beethoven, will listen to anything but crooners—likes pinochle and plays an erratic game of contract.

GEORGE F. EVANS, *Dean of Men*—Says all U. of T. needs is a good Dean of Men behind it—urges students in his classes to forget class and think of how the subject belongs out in the world—interested in art, prefers the Italian picture in the International exhibit—his weaknesses are yellow roadsters and golf—favorite expression, “it ain’t what you don’t know that does you any harm; it’s what you know that ain’t so.”

RAYMOND L. CARTER, *Director of Junior College, Ph. D.*—Member A. A. U. P., Phi Delta Kappa—Open Forum Member—planned and built his own home—has completely remodeled it since—enjoys fishing, camping, and traveling—likes to “putter around”—his favorites, George Arliss and Will Rogers—works at golf.

SENIOR ●

1934

HISTORY OF THE CLASS OF 1934 ●

TO the class of 1934 falls the honor of being the first class to enter and leave the new University Hall.

Our class began in the old Nebraska Avenue building, where we elected Don Appel president, assisted by Virginia Storm, Jack Taylor, and Spencer Northrup. Under the chairmanship of Dick Brayton, the Freshman Dance was a huge success.

We were not long in the old building, however, and in our Sophomore year, Robert Florian, Virginia Storm, Charlotte Kepner and Donald McLean were chosen to guide our class' destiny. The outstanding social event of the year was the Sophomore Dance held at the Trianon with Norton Heywood as chairman.

We returned to the University in 1933, proud of the fact that we were upper-classmen at last, and worthy of assuming a position of leadership in University affairs under the capable guidance of Donald McLean, Fay Lang, Irene Trautwein and Marlen Schwachenwald. The most important event of the year was the annual Junior Prom, given during the Christmas holidays at the Trianon. The committee consisted of Madison Dean, Catherine Houston, Charlotte Kepner, Helen Davis, Carl Kumpe, James Montgomery and John Sheridan.

Now, as Seniors, we have elected to guide us through our last year, Robert Baumgartner as president. . . . Other officers include Irene Trautwein, Harold Duckett, and Katharine Blanchard.

Among the important social events of the year were the Senior Banquet and the Senior Prom on May 11 at the Trianon, with Don Appel chairman.

With genuine regret we come to graduation and the end of our university days with its many resulting friendships among the faculty and students.

We are at the cross-roads, each to go his or her way in search of success.

SENIOR FAREWELL ●

It is with a feeling of deepest regret that we leave the University, filled with the happy memories of four years of work, study, and activities, and with wishes of success for the administration and the ensuing classes.

The world has issued a challenge to the college graduate, and we will do well to follow the examples of determination and leadership as shown by President Nash and our late friend and president, Henry J. Doermann.

It is fitting also, since we are the last to graduate who entered the old "University," that we thank the people of Toledo who made it possible for us to have such a fine, new building in which to study.

Farewell.

ROBERT B. BAUMGARTNER,
President of the Senior Class.

JUNIOR ●

1934

HISTORY OF THE CLASS OF 1935 •

THE Class of 1935 has assimilated into a friendly and cooperative group who have worked together to make the most of their opportunities as university students.

As a Freshman class, to whom university life was foreign, this class united under the leadership of Carl Schmuhl, President; Robert Martin, Vice-President; Julia Anna Folger, Secretary; and Fred Ritter, Treasurer. Allen Andrews and Virginia Sherwood were elected student council representatives.

By the Sophomore year the class had become well acquainted with the University and participated in extra-curricular activities. LaVerne Drake headed the class as president. Anna Folger, Margaret White, and William Teel were the other officers, while Allen Andrews and Virginia Sherwood retained their positions on the Council.

In the Junior year the class developed into a leading group on the campus. Carleton Rae led the affairs with the assistance of Margaret White, Helen Scarlett, Delbert Bruggeman, and William Teel and Anna Folger on the Student Council. The Junior Prom was the main event of the year and was an outstanding social affair of the Christmas vacation.

1934

HISTORY OF THE CLASS OF 1936 ●

HAVING passed from the ranks of the meek and lowly freshman, the class of '36 has now assumed the dignity which becomes the lordly sophomore.

During the year of 1932-33 the class was guided capably by Fred Lutz, President; Ralph Connors, Vice-President; Nita Gavaris, Secretary, and Charles Schultz, Treasurer, and several events were successfully accomplished.

Freshman week officially began September 12, 1932. Having become more acclimated to the University and collegiate life during this week, the class was better fitted to work together as a group.

Later in the year many of the students signified their choice of sororities and fraternities, and were taken into the ranks of the Greeks.

The year was brought to an appropriate climax by the Freshman Dance which was held in the Trianon Ballroom.

This year's offices are filled by John Wickter, President; Claudine Kelchner, Vice-President; Betty Jane Fowler, Secretary; and Fred Lutz, Treasurer. The Sophomore Prom was given January 26, 1934, and proved the greatest social success held between semesters.

The rest of the year was spent in the usual round of spring athletics and social affairs.

FRESHMEN ●

1934

HISTORY OF THE CLASS OF 1937 ●

SEPTEMBER 11, 1933 was the beginning of Freshman Week and marked the entrance of 481 high school graduates into the University. The total number of students classified as Freshmen was 603 of which 326 were men and 277 were women. Nominations for class officers were made during Freshman Week, and at the election held two weeks later Ray Rupp was elected President; Roberta Du Monte, Vice-President; Jane Ellen Elliot, Secretary; Hal Jennings, Treasurer, and Lucille Hammontree and Lloyd Holloway, Student Council Representatives.

Football and track saw their share of Freshman candidates, and the ranks of the Women's Athletic Association were swelled by the Freshmen women who became interested. Interest in social activities was stimulated by the fraternity rushing season which began in October. The University social season was ushered in by the Freshman Dance which was held November 24 at the Trianon. James Baskin was chairman of the committee, which was made up of Betty Bennett, Kay Francis, Helen Heiner, Eileen McNaul, Floyd Moan, Henry Spicker, and Bill Manner. In spite of the numerous activities in which the members of the class participated, they managed to have the largest representation on the first semester Honor Roll.

In the second semester, the Freshman class numbered 517. Two weeks after school convened, sorority rushing began. By this time the Freshmen had found their places in the campus and school life and had truly become a part of the University of Toledo.

INTER-SORORITY COUNCIL ●

OFFICERS

ELEANOR COAKLEY	<i>President</i>
MARJORIE OVERMEYER	<i>Vice-President</i>
BETTY SCHWARZKOPF	<i>Secretary-Treasurer</i>
MURLYN CAMERON	<i>Reporter</i>

MEMBERS

Alpha Tau Sigma—Eleanor Coakley, Evelyn Lumm.

Phi Theta Psi—Imogene Underwood, Marjorie Overmeyer.

Psi Chi Phi—Helen Scarlett, Betty Schwarzkopf.

Tau Delta Sigma—Florence Schnetzler, Mary

Henderson.

Kappa Pi Epsilon—Murlyn Cameron, Helen Fuller.

Pi Delta Chi—Betty Kern, Virginia Storm.

Zeta Gamma Phi—Edna Lievens, Frances Lanker.

Sigma Pi Delta—Rose Leibovitz, Helen Davis.

FOR eight years the Inter-SorORITY Council has been in existence. Its purpose is to cooperate with the University authorities and University organizations in matters of general interests. It also regulates matters concerning sorority rushing and pledging. It is composed of a junior and senior representative from each sorority. There are now eight sororities represented and the offices in the council are rotated each year according to a fixed plan. The presidents may attend and take part in all meetings. In the past year the Inter-SorORITY Council has been most effective in carrying out its plans, and hopes that in the future it will be able to accomplish even more than it has done in the past.

The biggest event of the year was the dance which took place at the Woman's Building. This dance was very successful and it is hoped that it may become an annual event.

Dean Easley efficiently advises the Council and has earned active support in her efforts. The Council is also indebted to sorority advisors for their cooperation and assistance.

ROW 3—Lovering, Frick, Gross, Fraser, Heiner, Erickson, Yates, Murray.

KAPPA Pi Epsilon, oldest campus sorority, was founded in 1912 to foster loyalty and to advance the interests of the University; to maintain a high standard of scholarship, and to provide such social activities as shall promote a spirit of good fellowship.

Many members were outstanding, participating in student government, dramatics, press activities, athletics, and numerous other activities.

Among the many social activities of the year were the couple roast at Maumee, informal fall dance, Thanksgiving Tea for officers of the other sororities, Christmas Formal at the Commodore Perry Hotel, pledge dance, party for the Mothers, Spring Formal, and Senior Luncheon.

The sorority has a large Beta chapter which is active and co-operates with the actives in furthering the interests of the group in its wide scope of activities.

Members are looking forward to several more years of participation in University activities.

THE purpose of the Zeta Gamma Phi Sorority is to promote social feeling and to support all activities and projects of the University. This group has striven to maintain a high standard of scholarship and to develop leadership in campus activities.

The Zeta Gamma Phi is very active in athletics—for two successive years it has led the sororities in Athletic standing. It holds the sorority volleyball championship for 1934.

The annual social activities of the sorority are a Christmas party, Christmas Formal Dance, Mother's Day Tea, and the Senior Formal Banquet. Other activities of this year were suppers, roasts, teas, a Hallowe'en Masquerade Dance, a dance honoring the pledges and a dinner honoring the patronesses, Mrs. G. Leffler, and Mrs. C. J. Bushnell, and adviser, Miss Sarah Bissell.

THE Pi Delta Chi Sorority has had an active and successful year. It has always held before it three purposes: one, to promote friendship among the members; two, to encourage members to attain a high scholastic standard, and three, to get members interested and active in other activities in the University.

The sorority enjoyed many social functions throughout the year. Among these were the Christmas Formal, which was held at the University Club, the Spring Formal, the Mother's Day Tea, and a Cottage at Clark's Lake in the summer.

THE Psi Chi Sorority has again completed a successful year. Through the participation of its members in the activities of the University, it has fulfilled its purpose of encouraging a fine spirit of friendship among its members, of maintaining a higher standard of scholarship, and of supporting the projects of the University.

The social program consisted of a series of events, at frequent intervals throughout the year, including a roast, a slumber party, several formal and informal dances, a formal dinner, a Mother's Day tea, a bridge, and a Faculty Dames' tea.

Praise and appreciation are due and are here expressed: first to our adviser, Mrs. Condrin, and patronesses, Mrs. Henry Kreider and Miss Louise Gates; second, to our officers who have guided us through another year; third, to the members who have willingly and faithfully cooperated in the various programs and activities, both social and athletic.

TAU Delta Sigma was founded in 1924 as a branch of a national social sorority and became a recognized sorority on the University Campus in 1930. Its aims are to promote University functions, to further friendship among University women, and to maintain a high standard of scholarship. Much of its success is due to the help and friendly guidance of its patronesses, Mrs. H. H. M. Bowman, Mrs. A. J. Townsend, and Mrs. O. Garfield Jones, and of its adviser, Dr. M. Estelle Hamilton.

Among the important social events have been the Christmas formal, a tea honoring Mrs. Nash, and several informal dances.

THE Pan-Hellenic Council is composed of representatives from the ten various fraternities on the campus.

The purposes of the Council are to promote the interests of the University of Toledo and of the several fraternities represented therein; to insure cooperation among the said fraternities, between them and the University authorities, to the end that the conditions and their relations with the college may be improved.

The Council set up a definite rushing program in regard to freshman men to begin at the tenth week of the first semester. Such action was taken to better the conditions for entering men, both scholastically and fraternally.

The Annual Armistice Dance held in the Commodore Perry Hotel Ballroom in early November and the Spring Hop in May marked a very successful intra-fraternity social program.

THE Zeta Omicron fraternity was organized on this campus in 1921. Three years later it became affiliated with Sigma Delta Rho, a national social fraternity, as Gamma Chapter. The fraternity was admitted to the National Inter-Fraternity Council, an organization composed of the leading national fraternities throughout the United States, in 1924.

Gamma Chapter has enjoyed one of its most successful years on the campus. Cooperative and constructive work has given the Chapter leadership in every branch of campus activity.

Among its social functions of the year were the Christmas Formal, the Founder's Day Banquet, the Spring Formal, and the annual picnic at Manitau Beach.

The fraternity meetings and social functions are held in the chapter rooms in Berkeley Manor.

CHI Beta Chi was founded as a scholastic fraternity. Its aims have since broadened and now enter all fields open to such a group.

During the past collegiate year, Chi Beta Chi conducted a versatile social program, including a Founder's day banquet, splash parties, informal dances, Christmas Formal and Sport Formal dances, holiday parties, and a Mother's day tea.

Several widely-known speakers were secured for our weekly meetings.

One of the highlights of the collegiate year was Norman Thomas' lecture in the Doerman Theater under the sponsorship of Chi Beta Chi.

The stimulation and support of University activities constitutes one of the chief aims of Chi Beta Chi. Culture, Brotherhood, and Character are the requirements and guiding principles of the Fraternity.

THE purpose of the fraternity is to promote fraternal and social feeling and to support all activities and projects of the University.

Chi Rho Nu is proud to announce that it has recently moved into a new house located at 854 West Delaware Avenue.

The fraternity during the past year has sponsored good fellowship, betterment of school life, support of school projects, and clean and healthy living.

Among the numerous social events of the year included the annual Christmas informal dance which was held at Trilby Log Cabin, the Founder's Week, celebrating the fourteenth anniversary with a grand climax the Founder's Formal Ball at the University Club. Several informal stag and co-ed parties were held throughout the year at the fraternity house. The year ended with the Annual Spring Formal.

The fraternity was well represented in major sports, with letter men on the Football, Basketball and Baseball teams. It has fared well in intra-mural sports, sponsoring teams in every sport.

"We feel that the fraternity has had a very successful year, and we know that we can continue to co-operate with the other fraternities and groups on the campus to make the succeeding years most enjoyable ones for everyone concerned."

THE purpose of Alpha Phi Omega is to create and promote fellowship, athletics, and scholarship, and to encourage college activities.

Its aim is to advance the social, intellectual, and moral welfare of its brothers.

The social activities of Alpha Phi Omega for the year of 1933-34 included the annual picnic at Clark's Lake, several stag banquets, monthly dances, the Christmas and Spring formal dances, and several smokers.

The members of Alpha Phi Omega participated with success in the inter-fraternity athletic program and in all campus activities. Professor Donald S. Parks, by his ever present guidance, has provided inspiration for present and future fraternal spirit.

ENJOYING full cooperation of its large alumni and an exceptionally fraternal feeling among its members, Kappa Iota Chi closed a very successful eleventh year on the University campus. Not only were traditional ceremonies and activities carried on but many new and different ideas were initiated.

A great deal of credit for the success of Kappa Iota Chi belongs to Lorain Fortney, who, in his quiet way, suggested, advised, and acted as a protection against over-zealous plans.

Although the fraternity is highly pleased with its 1933-34 accomplishments, it has already started making plans for an even greater season next year.

PI KAPPA DELTA •

OHIO THETA

THE Ohio Theta Chapter of the University of Toledo is one of a hundred and forty-five chapters of Pi Kappa Delta. This society is the largest and most active of the national honorary forensic fraternities, representing leading collegiate institutions in practically every state of the union.

The Lake's Province to which Ohio Theta belongs was active in forensic contests this year prior to the National Convention. Two Tournaments, in which the local chapter participated, were conducted during the month of March: at Tiffin and at Ypsilanti. Toledo was represented in both events. The question for debate as voted upon by the national chapters was: Resolved, that the powers of the President of the United States should be substantially increased as a settled policy.

The focal point of the year's activities was the National Convention held the week of April 1st at Lexington, Kentucky, where 138 Pi Kappa Delta Chapters were present for roll call and participated in the Men's and Women's Debates, the Extempora and Oratorical contests. Toledo was represented by Arnold Sukrow, Stanley Jeffery, Daniel Gluck, Dorothy Shore and Lois Adams.

The local chapter brought the season to a successful close with a Tri-Chapter initiation banquet held May 4th at Sunningdale, for which Toledo was host. Guests numbered seventy-five from the participating chapters: Heidelberg, Bowling Green, Toledo, and Ypsilanti. Invitations for this event were also extended to all members of the local Debating Association.

LIST OF MEMBERS

New Members this year: Don Appel, Zack Chamberlain, Jack Boysen, Dorothy Shore, Lois Adams.

Members on Fraternal Basis: Robert Dailey, Edward Carsten.

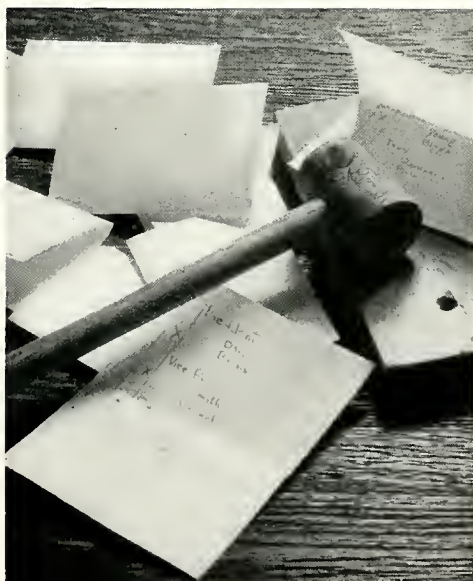

Members who received advanced standing this year: Stanley Jeffery, Arnold Sukrow, Daniel Gluck (all special Distinction).

The purpose of the Blockhouse this year is to record permanently the pattern of "University Life." The staff has tried to picture your Campus Life as you like to remember it. So as the years flow by you will be able to recapture those pleasant relationships—those interesting friendships—those happy moments—that you like to remember as College Life and which has made College so enjoyable and so helpful.

The book this year is not as elaborate as planned because of its greatly reduced budget, but the staff hopes that it has utilized it as full as possible so that this year's book will be worthwhile and will accomplish its purpose of publication.

Much credit must be given for the smart photography to the Toledo Museum of Art Camera Club which gave us admirable cooperation. Don Jardine, the staff photographer, is to be commended as well for the very good work which he turned in. Without the help of these people, the book could not have been a success.

CAMPUS COLLEGIAN ●

THE Campus Collegian is the weekly student publication of the University of Toledo. It has twice been judged the best weekly college newspaper in Ohio. This year all students interested in journalism or newspaper work were eligible as reporters. Journalism students are required to contribute to the Collegian as a part of their work in the course.

The Campus Collegian stands for unbiased treatment of facts, recognition of ability regardless of fraternal or non-fraternal affiliations, a university standard of news and a more democratic spirit.

STUDENT COUNCIL ●

THE Student Council is the University's student governing body, having for its advisers the Dean of Men, and the Dean of Women.

Council looks back on a varied and successful year: Freshman Week, with its attendant instruction and entertainments; Homecoming, with the first bonfire held at the new building, and the announcement of the huge success of football ticket sales; University Week with the impressive inauguration of President Nash; High School Week, with the large luncheon in the arena, the tours of the building and campus; and the Student Council Dance, April 6th.

Prime among the administrative achievements for the year were: the final establishment under a publications committee of definite and improved constitutions for the two University publications; formerly editors were elected by the staff at large; under the new ruling they are elected by a publications board composed of three students and two faculty members. A committee worked out a Student Handbook, intended to become an annual feature of the school curriculum, listing all students, all activities, who's who in offices, and organizations, and explaining traditions, customs and rules of the University. In the spring, council started investigations leading to a movement for insurance on all laboratory students. During the year the Bus Rate Committee worked toward its goal of a five cent rate for students. Under another committee, the dollar fee charged on deferred tuition payments was done away with, and a better plan based upon the deservingness of students was instituted.

Council retained its membership in the National Student Federation of America, and sent Jacob Folger, President, as the university's delegate to the convention in Washington.

DRAMATIC ASSOCIATION ●

In 1798 Charles Stearns wrote:

"The rudest numpbs and swains by practicing on rhetoric will soon acquire polite manners, for they often personate the most polite character."

The purpose of the Dramatic Association is not limited to the development of social amenities in the actors. It has as objectives the discovery and development of the dramatic talent of students; some knowledge of stage craft in the professional theatre; and practical experience in the business management involved in play production.

This last season has been of great interest to the followers of the Thespian art in Toledo University. Beginning with "Hay Fever" and ending with "Hotel Universe," the Dramatic Association has played to capacity houses and has completed a successful year. The tight wire between these two has not been easy to walk. Faint heart never presented Shakespeare's immortal tragedy, "Macbeth," nor has faint voice overcome the cynical squeaks of the floor of the stage. However, with the balancing help of excellent faculty direction and cooperation the end has been reached without a fall.

MAJOR PRODUCTIONS:

1. Noel Coward's "Hay Fever."
2. Shakespeare's "Macbeth."
3. Philip Barry's "Hotel Universe."

ONE ACTS:

1. Susan Glaspell-G. Cook's "Suppressed Desires."
2. Dan Totheroh's "Off Nag's Head."
3. Giorloff's "Highness."

THE SEASON

OHIO CONFERENCE ROUNDS

The season of 1933-34 was the fullest in the history of the local forensic society, and it was one of the most successful in the history of the organization. For the third successive year the University Debaters were untopped in the Ohio Conference having won five debates in the December triangles, with one non-decision contest. This was better than the record of Muskingum and Akron, nearest rivals, each of which schools lost two contests. The question debated in the Conference was: Resolved, that a Presidential dictator popularly elected each four years is preferable to our present form of Congressional Government. In addition to the Conference series in which Akron (Aff.), Kent State (Neg.), Findlay (Neg.), Ohio Northern (Aff.), Bluffton (Aff.) were defeated, the Negative team won its three contests at the Tournament sponsored by Capital University on December 14th, meeting Heidelberg, Capital, and Bluffton. Only Toledo and Muskingum had undefeated teams at the close of the Columbus clashes.

DEBATES ON PI KAPPA DELTA QUESTION

The National Pi Kappa Delta question for this year was: Resolved, that the powers of the President should be substantially increased as a settled policy. All debates for varsity teams after January 1st were on this question, as follows:

CHICAGO TRIP

Stanley Jeffery, Arnold Sukrow, and Edwin Klag made a debate trip to Chicago on the week-end of February 8-11th, meeting on their three day series such schools as Hillsdale College, Hillsdale, Michigan; North Park College, Chicago; Northwestern University, Evanston, and North Central College, Naperville. The last debate was held at the Wesley Methodist Church in Aurora, Illinois at a Sunday evening service. Audiences for the series averaged two hundred.

WOMEN'S TOURNAMENT AT TOLEDO

University of Toledo was host to an Invitational Women's Tournament on February 16th and 17th, with representatives from Heidelberg, Manchester, Kent State, Bowling Green in attendance. Schools were represented by any number of teams up to a maximum of five. Leading contenders in the finals were the Manchester Affirmative, Kent State Negative, and Toledo Negative, each of which dropped only one contest in the series. Misses Shore and Adams were the Toledo contenders.

ROW 1—Kripke, Cheyfitz, Bussdieker, Adams, Brint, Shore.
 ROW 2—Sukrow, Pacyna, Orians, Klag, Cunningham, Gillett.
 ROW 3—Appel, Chamberlain, Northup, Moore, Carsten, Gluck, Jeffery.

MANCHESTER TOURNAMENT

A mixed team composed of Lois Adams, Philip Pacyna, and Joseph Kozak won all of a series of five debates in the Tournament at Manchester College, Manchester, Indiana, on February 23-24. Over three hundred debaters were in attendance.

YPSILANTI TOURNAMENT

A men's team composed of Stanley Jeffery and Daniel Gluck won contests from Michigan State Normal College, University of Detroit, and Heidelberg. A women's team composed of Dorothy Shore and Lois Adams won its contests from Ypsilanti and Heidelberg (two clashes). The two Toledo teams and Baldwin-Wallace had a clear record of wins. The Tournament was held on March 17.

HEIDELBERG TOURNAMENT

Edwin Klag and Joseph Kozak won two out of three contests on March 9 at Tiffin against Grove City, Baldwin-Wallace, and Heidelberg.

LEXINGTON TOURNAMENT

The Official Pi Kappa Delta Team composed of Arnold Sukrow, Daniel Gluck, and Stanley Jeffery reached the semi-finals in the National Tournament, emerging as one of fifteen teams out of 138 entries. The Women's team, Misses Shore and Adams, won three out of five contests.

NON-DECISION CONTESTS

The Women's Pi Kappa Delta Team met the University of Cincinnati squad at Whitmer High School on March fifth. The contest was non-decision. Edwin Klag and William Moore encountered the University of Pittsburgh representatives at the First Unitarian Church on January 28th. University of Buffalo debaters met the Negative team before the Business Men's Club at Maumee on February 28th. The second series of contests with Adrian, was held before the High Schools at Sylvania and Blissfield on the 7th of February. The season for the year was concluded with a debate before the Cosmopolitan Club on Sunday evening, April 22nd. Toledo upheld the Affirmative, St. John's the Negative.

ROW 2—Grigsby, Boehler, Doner, Stevens, Weaver, Masters, Kettinger.

SINCE the time that the University Orchestra was first recognized as a student activity in 1930, it has made steady progress. Each year its activities are extended to a larger field, and it is its aim to build up an organization which will be able to cooperate fully with other University enterprises. This year, under the competent and able direction of Mr. Walter Willihnganz, the Orchestra has played for several convocations, the Christmas program, the inauguration of President Nash, the Northwestern Ohio Teachers' Association Luncheon, the Faculty Dames, the Dinner to Mayor Klotz and the City Administration, the University Radio Program over W. S. P. D., the Lucas County High School Day, the Commencement, and Baccalaureate exercises, the May Day activities, and assisted with the production of the Chorus' presentations, "H. M. S. Pinafore" and "Prince of Pilsen," and the Dramatic Association's "Hay Fever."

VIOLIN—Robert Boehler, Evelyn Skinner, Bernard Mittendorf, Virginia Loxley, R. Wayne Masters, Ernestine Stickles, Joe Cooper, Helen Avars, Francis Peterson, Martha Seitz.

BAND ●

THE University of Toledo band was reorganized this year after a few years of mediocre existence. Walter Willihnganz was named director. They opened the year by playing at two convocations and at the bonfire and parade held the night before the opening game.

A completely uniformed organization was planned but because of financial difficulties, uniforms were not procured. St. John's high school graciously let the band use their uniforms, the color scheme of blue and gold conforming with the University's colors. The band played at all football games played here.

During the basketball season the band played at many of the home games in addition to journeying to Bowling Green for the game there.

Difficulty in securing a suitable time for rehearsals prevented the band from having a large enrollment.

Early in the spring the Student Activities Trust Fund committee appointed a sub-committee to investigate ways and means of aiding the band to get uniforms. The school year ended by the band playing at several of the night baseball games.

THE aim of the Student Y is to permeate the student body with respect for and the continuance of ideals of living that are ethical, ideals of association that are Christian, and to seek out, train and maintain the leadership which will project and sustain these ideals.

This aim was promulgated by the revivication of the Gospel Team which under the appellation Deputation Team held Sunday services in various churches during which time the members of the team discussed a new code for the churches. Lectures by University instructors and others on subjects pertinent to college students were features of the weekly meetings.

FOR the school year of 1933-34 the Ellen H. Richard's Club has been active in promoting projects of standardization, sponsored by the National Home Economics Association. At the Monday luncheon meetings, outside speakers have been talking to the club members on "Developing Personality." The tradition of making and selling fruit-cakes and candies at Christmas was carried on. The outstanding social affairs were bridges, skating parties, and roasts. The annual Balloon Frolic was held in April.

The most brilliant event was the club having as their guest, the Home Economic Regional Convention of Northwestern Ohio, on Saturday, March 17, 1934, preceding the State Convention.

THIS is an organization of Junior and Senior engineers whose bi-weekly meetings provide an opportunity for them to discuss pertinent engineering problems and developments. The society promotes a social spirit among the members by holding an informal gathering after the technical discussion.

The outstanding activities of the year included a smart spring dance at the Trilby Log Cabin and a joint meeting with the Affiliated Technical Societies of Toledo. The season was closed with the annual banquet, at which the newly-elected officers were installed.

THE purpose of the Woman's Association is to create a point of social contact for University women. Among the events sponsored by the association were the tea for Freshmen women, a party for graduating Seniors, and the May Day Festival. The theme of May Day this year was "Modern America," portrayed in three episodes: Prosperity, Depression, and Recovery. Costumes and dances were representative of the respective periods. The unique event was well attended by University students and friends.

DAVE CONNELLY

Dave Connelly, after graduating from Michigan State Normal College, and with several years of professional athletics to his credit, came to the University of the City of Toledo in the year 1926 as director of athletics.

Besides constructing the university's athletic program, Dave is an active coach and concerns himself mostly with track and basketball. During the years he has been athletic director, sports at the university have taken a turn for the better. The fact that the University of Toledo is a member of the Ohio Conference is due to Dave's untiring efforts.

Dave, again this year, was the sponsor of the District High School Basketball Tournament. The Northwestern Ohio Indoor Track Meet was also under Dave's supervision.

**THE STAFF***ANDY VANYO*

Andy Vanyo, the late Knute Rockne's choice for the All-American Football team, has been with the University of Toledo for two years as line coach. Although Andy is young, he is very capable of holding down his job.

Football is not the only sport to which he gives his attention, for this year all the intra-mural sports were under his supervision. Andy planned the entire intra-mural program for fraternity and independent athletic teams. This year competition among all of the teams was greater than ever before.

His work in intra-mural sports has brought a new interest to university sports which means a big step toward a better university.

JIM NICHOLSON

Coach Jim Nicholson has been with us for four years. He was graduated from Denison, where he was an all around athlete and a Phi Beta Kappa.

Jim has been persistent in his supreme ambition to qualify this University for higher competition. He is a competent instructor in football and track and an important factor in the forming of intramural sport. As football coach, he installed

OF COACHES

in the Rockets and student body a fighting spirit that carried them through a football season, memorable as one of the most successful in the history of the University. He values student cooperation very highly and strives to attain it.

With the influx of fine high school athletes and the scheduling of high class opposition, Jim believes that athletics at the University are definitely headed "up stream."

CHARLES WERTZ

"Chuck," backfield coach, came to the University from Ohio Wesleyan, where he was an outstanding athlete.

As tutor of the scoring candidates, he has made a favorable impression on his pupils. He showed sincere interest in his work, and as a result the University has had a very fine and flashy backfield that performed well in every game. His good nature and fine sportsmanship have made him a favorite with the members of the football team, and the students in the school.

FRESHMAN FOOTBALL

The University freshman football team this year was made up of a large number of players who graduated from local and neighboring high school elevens. Coached by Roy Hudson, former All-American backfield star, the team was good enough to offer the varsity Rockets some stiff competition each time the two teams scrimmaged. In scrimmage games with various high school teams, the frosh clicked as a combination and seemed to adapt themselves easily to the system used here.

On the basis of their performances with the freshman team, most of the players are slated to play on the first or second varsity teams next fall. Several of the first year men impressed Coach Nicholson with their ability, and may beat out some veterans in the battle for positions on the 1934 team.

Freshman football has been given a higher rating here than ever before. For the first time at the University a coach has been obtained expressly for the freshmen. Numerals were awarded to the players for the first time also.

ROY HUDSON

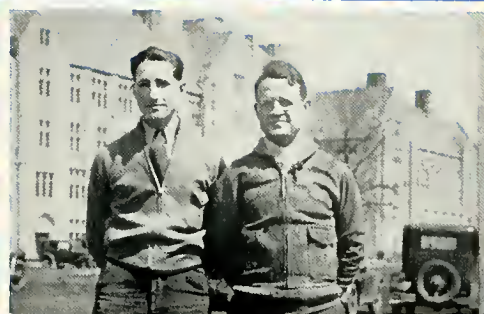

Freshman Football Coach

Roy Hudson, whose football feats at Michigan, where he made the All-American, are known nationally, was appointed early this fall by the athletic staff to become the University's first freshman football coach. Hudson succeeded in turning out a group of first-year men that are going to play a big part in Coach Jim Nicholson's plans for the future. He is partially installing here the system used in the Western Conference. Hudson also served as assistant basketball coach.

JOE SHANK—Basketball

Joe Shank has completed his second season as captain of the Blue and Gold cagers and his third year as a member of the varsity. Joe will long be remembered here as one of the finest forwards the University has developed. A leg injury prevented him from finishing out his last year, but his fighting spirit was always evident, on the floor and off.

BILL WILES—Baseball

Bill Wiles has been captain of the Rockets for two of the three years he has starred with the Toledo nine. Bill was a perfect captain, being a splendid all around player and a fighting leader. He could hit, pitch, and play center field with equal ability, although center field was his usual position.

TOM GILLOOLY AND BILL RICHARDSON—Golf

Tom Gillooly and Bill Richardson were co-captains of the Rocket golf team this year. Both these men have finished their second year as members of the squad. Tom and Bill were consistent point-getters this season, and served well in their capacity as co-captains.

JERRY WELLING

Jerry Welling distinguished himself in Ohio Conference play. Sports writers throughout the state recognized Jerry as one of the best backs in Ohio college football. He was unanimously chosen on every all-conference and all-Ohio team. He led the entire state in individual scoring.

<i>University of Toledo</i>	2
<i>Capital</i>	7

Traveling to Columbus for the first game of the 1933 season, the University of Toledo football team, hit by ineligibilities, dropped a slow game to Capital University there by a 7-2 score.

For three periods the two teams were unable to push over any score. Early in the final quarter Capital scored the only touchdown of the game on a 40-yard pass that was first partially blocked by two Toledo players and finally caught by a Capital man as he was stumbling across the goal line.

It was a purely defensive game, both teams resorting to frequent punting and doing little offensively. Only five first downs were recorded, three by Toledo and two by Capital. Numerous penalties halted drives of both elevens.

<i>University of Toledo</i>	0
<i>Detroit City College</i>	0

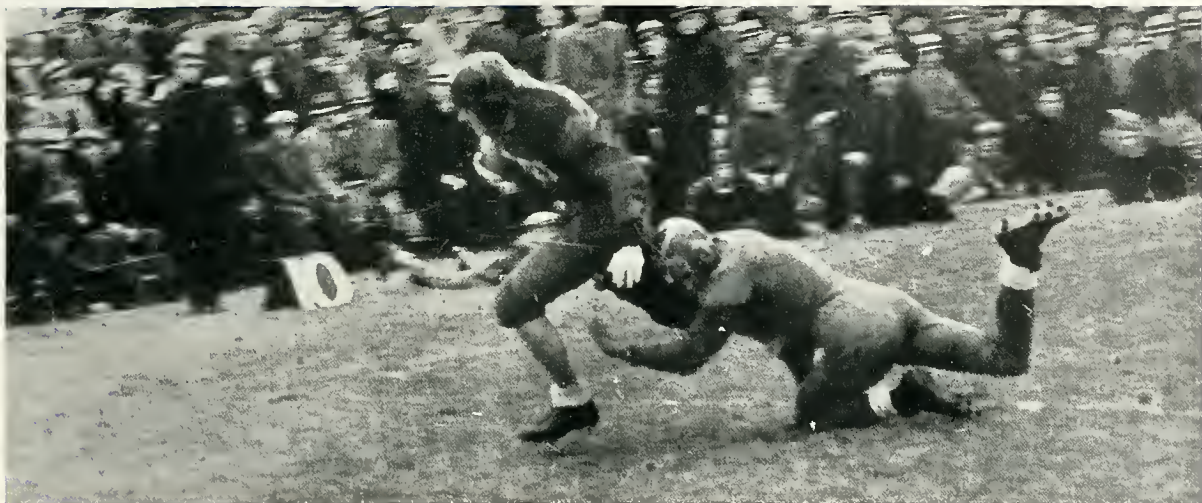

A heavy rain and a muddy field greeted the University of Toledo eleven when it traveled to Detroit to meet the City College Tartars there in its second game of the season. The two teams battled to a scoreless tie.

The Rockets outgained Detroit throughout, but the wet ball brought on many costly fumbles; frequent penalties also prevented any scoring by either team. The fast Toledo backs found difficulty in getting started on the rain-soaked gridiron.

The first half was a punting duel between Jerry Welling of Toledo and Demaree of Detroit.

1934

In the third period the Rockets twice had the ball within the Detroit 10-yard line but failed to score. In the fourth quarter the City College team reached Toledo's 1, but a pass on the fourth down was incomplete over the goal line. Keith Davis and Chuck Shelly played outstanding games on the line for the Rockets.

Unviersity of Toledo	29
Defiance College	6

Led by Jerry Welling, an inspired Rocket eleven scored four touchdowns to defeat the Yellow Jackets of Defiance College by a 29-6 score for its initial victory of the season in its first home game. The Rockets pushed over a touchdown in each of the first and second periods, a safety in the third quarter, and finished still going strong with two more touchdowns in the last quarter. Defiance scored its lone touchdown on an intercepted pass late in the game. Intercepted passes by Toledo's wary defense paved the way for the first two Rocket scores, placing the ball in position for Welling to take it over each time. A bad pass from center by the Defiance pivot man gave Toledoit's first home game.

University of Toledo	12

Toledo's Blue and Gold eleven entered the win column of the Ohio Conference stand-ings with a 12-0 victory over Kenyon College at Gambier, Ohio. It was the Rockets' second straight win.

SMITH

Held in check in the first half by the much heavier Kenyon team, Toledo came back with a vengeance in the second half to sweep their down-state opponents off their feet and score a touchdown in each of the last two quarters.

The first score was made on an end run by Ed Southard, Rocket end, from the 38-yard line after Ed Smolenski had intercepted a Kenyon pass. In the final period the Rockets marched down the field to their opponents' 3, from where Jerry Welling took it over.

The superiority of the Rockets was never in doubt as the ball was in Kenyon's territory most of the time.

BOWLING GREEN

Effectively smothering an outclassed Bowling Green football team the University of Toledo rode roughshod over the Falcons to win 25-7 in the Homecoming Day game, October 28th, at St. John's Field.

Aggressive football gave the Blue and Gold its first touchdown. Bowling Green was forced back to the shadow of its goal line. Ford Murray, stellar and diminutive quarterback of the visitors, faded back to quick kick. Jerry Welling, charging in fast, blocked the attempted boot and the alert Ed Southard fell on the ball over the goal line. Keith Davis dropkicked the extra point.

The second touchdown came as Bill Smith ran Murray's punt back brilliantly to the Falcon 35. Welling cut into his left tackle and outran the Bowling Green backs to score standing up. Davis again tried to dropkick for the extra point but it was blocked.

Bill Smith ran 45 yards through the Falcon team, after an interception of Murray's pass, to score the third touchdown.

1934

The lone Falcon touchdown came as the result of a long pass, Murray to Wallace, Bowling Green end. Lowell bucked the line for the extra point.

The final touchdown was made by a series of beautiful open field gains. Welling going over the last stripe for the score.

HEIDELBERG

The Rockets battled with marked precision against the Student Princes of Heidelberg College, but were unable to emerge from the game with better than a 6-6 tie.

The Blue and Gold eleven displayed evidences of power, but it was not until late in the game that Nicholson's men organized a sustained offensive to score on the Tri-color squad from Tiffin.

Smith's fumble of Rupprecht's punt on the 13 led to the Tiffin touchdown. Heidelberg covered the loose ball and Ken Fields, mighty Prince fullback, went over in two plays. The try for extra point failed.

The third quarter developed into mostly a punting duel with Jerry Welling of Toledo and Rupprecht of Heidelberg sending the oval soaring through the chilly air. Welling had the edge here as he did in the entire game.

As the final period started, the Blue and Gold offense and defense began to click. Toledo took the ball on their 20 and Welling advanced it on a wide end run, to the midfield stripe. Here the Rockets were penalized 15 yards. Welling quickly made up this loss by running the ball to Heidelberg's 49. Smith then ran the ball to the 10 and Welling after a series of no gains took the ball over for a touchdown standing up.

The game ended with Toledo trying to foster another touchdown drive.

ledo University in a hard fought game 33-13 at St. John's field. The Jesuit Blue Streaks needed two quarters to get under way, but when they did the Blue and Gold was unable to stop them. Toledo scored twice, gaining the distinction of being the only eleven to count two touchdowns on the Catholics.

The Rockets scored first, Welling going 33 yards to score on a weak side tackle play in the first quarter.

Before the gun sounded at half time, Dawson and Artale hitting the line and running the ends for the Cleveland team, scored another touchdown.

Beginning the second half, Artale, star back for Carroll, went on a spirited rampage and scored two touchdowns on a couple of beautiful end runs, aided by some terrific ploughing through the line by the Blue Streak's mighty colored fullback, Dawson.

The Blue and Gold defense started to co-ordinate and blocked Ryan's punt on Carroll's 10 in the final quarter. Welling then scored on a wide end run and a pass Welling to Biehl was good for the extra point.

The Blue Streak backfield was one of the best to perform against the Rockets this year.

OTTERBEIN

The Rockets closed their grid season with a victory over Otterbein 12-0 in an Ohio Conference game played at St. John's field.

Passes and punts played a major role as the Blue and Gold outfought and outplayed the Cardinals to hang up its third league victory.

This game climaxed the most successful grid season Toledo University has ever had.

Toledo scored twice in the second quarter on a run by Welling and a Welling to Southard pass. Otterbein made its lone bid for a touchdown in the final period, going to the Toledo 5 as the game ended.

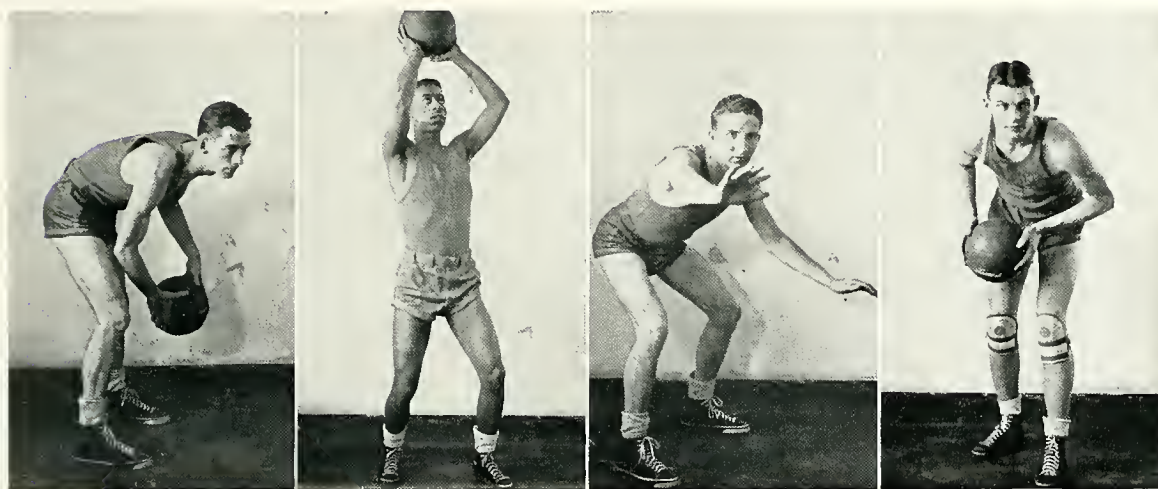

Jim Kressler's the boy who puts the pep and enthusiasm in the cheering sections at athletic contests. If you weren't hoarse after every football game, it wasn't Jim's fault, because he made you y-e-l-l.

Meryl Fletcher, as football manager, was one of the hardest workers on the team and yet received none of the glory. Fletcher had the heavy job of taking care of the equipment, and he did his work competently.

Rol McDermott is the kind of player who is not flashy, but can always be depended upon for a good performance. Dutch passed the ball with unerring accuracy and came up with a basket whenever it was needed. His best game was the Dayton encounter, when he sank six baskets for twelve points. Rocket fans can expect a lot from him in his remaining two years here.

Bill Thomas, as reserve center, made up in ability what he lacked in size. Bill is not a tall man, but his good work in the pivot position won him his place in the Rocket lineup. With more experience, Bill should develop into quite a player in his remaining two years here.

Carl Schmuhl, Rocket guard, is noted for his fine aggressive play. He is an exceptionally good man to have when the Toledo team encounters a team of huskies, as Carl is a battler. At every game, whether Schmuhl plays or not, you can find him cheering to his utmost ability. At John Carrol he was the shining light.

Bob Biehl, lanky center for the University of Toledo, showed up exceptionally well at his pivot position. Probably Biehl's best factor of play was his ability to feed the ball to other Blue and Gold players. His Dayton game was his best performance. Bob is also a Sophomore.

Joe Shank, high scorer in the Ohio Conference last year, was bothered all season with an injured knee that finally forced him out of play altogether. Joe fought every minute of the time he was in the game, and it was only his injury that kept him from hitting the stride he reached last year. Joe is one of the few seniors on the squad, and his loss will be felt next year.

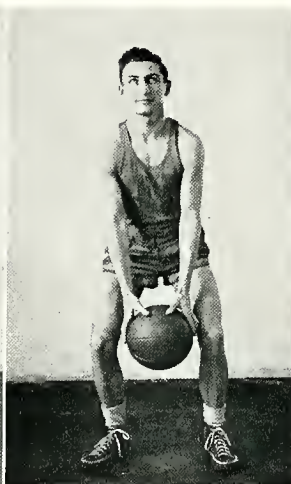

Johnny Rapparlé's steady work at guard this year has stamped him as one of the best defensive players ever to wear a Rocket uniform. John was continually assigned to the opponent's scoring star, and he always lived up to what was expected of him. He should build up quite a reputation in his remaining two years.

John Allen is another man that should prove excellent reserve material. Johnnie is only a sophomore and the next two years should see him winning a place on Rocket basketball teams.

RAPPARLÉ

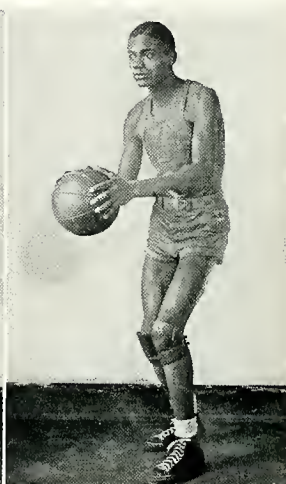

JOHN ALLEN

MCLAUGHLIN

JAMES

Guy McLaughlin is another lanky man on Connelly's roster. Although Guy was very active a year ago, this season he was not given an opportunity to show himself because of the efficiency of Bob Biehl. He is a conscientious player, trying hard whenever put in a game.

John James, Rocket forward is excellent reserve material. James did not figure in many games, but in those games that he did he showed up extremely well. He will be missed from the lineup next year as he is a Senior.

There probably isn't a more reliable or steady ball player on Connelly's team than *Johnny Dowd*. He is practically a dead shot from the side of the floor near the foul line. Dowd is a plugger and will surely be missed next year as he is a Senior. His best play was found in the Heidelberg game.

Earl Kaiser saw a lot of action this year at both the forward and guard positions. Earl was injected into the game whenever it needed steadying, and his playing left little to be desired. He is rugged, fast, and a potential star. Earl also has two more years left to wear a Rocket uniform.

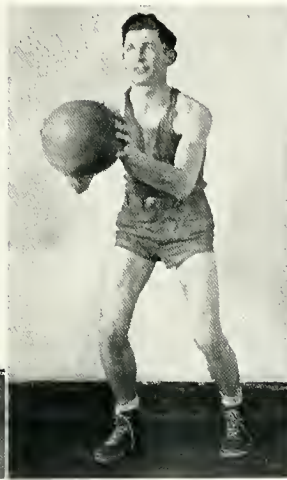

DOWD

KAISER

MOSTOV

COE

Dave Mostov was the main spark plug in the Rocket defense this past season. The fighting, little forward recovered the ball numerous times when the possession of the ball meant a decided advantage at that stage of the game. Davey's best performance was in the St. John's game. He is a sophomore.

Eugene Coe, basketball manager for the Blue and Gold team, was probably the most enthusiastic and excited person at every game. Coe is a member of the Sophomore class.

BASKETBALL

Toledo University—St. John's University

The University annexed the mythical city collegiate crown by defeating St. John's University, their rival of long standing, by a 34 to 20 margin. The victory was gratifying because the basketball team found itself after a mediocre season.

The contest was fast and furious at the start, with the Jesuits maintaining a slight advantage, which they lost, when the Rockets came to life and staged a rally that tied up the game at 12-12. The Saints, however, again forged ahead to lead 15-12 at the half.

The St. John's cagers continued to score in the opening minutes of the second half. However, as soon as the Rocket's attack got under way, there was no question as to the supremacy of the two teams. In the middle of the second half, Coach Connelly's charges produced a sudden scoring rally that put them far out in front. Biehl with eight points, and Rapparlle and McDermott, who each scored seven points, lead the rapid-fire attack that paved the way for a fine victory.

Toledo University is pleased with their cagers who have given us a decided edge in the eight years series of collegiate title games.

SUMMARY OF BASKETBALL SEASON—1933-34

The University of Toledo basketball team finished the 1933-34 season with the not too imposing record of six wins and nine losses. The Rockets won all three of their non-conference games, but dropped nine out of twelve Ohio Conference tilts.

This year's team had a good offensive attack and despite the fact that it failed to win the majority of its games, outscored its opponents 430 to 417. The failure of the Rocket defense to hold up consistently was probably the greatest reason for the large number of losses.

Coach David Connelly was handicapped later in the season when Bill Jones and Joe Shank, his two highest scorers, were lost to the team. Jones dropped out of school at the end of the first semester, and Shank, who was bothered all season by an injured knee, was finally forced to give up basketball.

The most notable victories of the season were the 34-20 win over St. John's College for the city collegiate title, and the 35-16 defeat of the strong Bowling Green five in the last game of the year. In each of these tilts, the game was close in the first half, but the Rockets forged far ahead in the second half.

Probably the most encouraging feature of the past season is the large number of players that will return to the team next year. Joe Shank and John Dowd are the only ones who will be lost through graduation. This will leave Connelly with John Rapparlle, Bob Biehl, Rol McDermott, Dave Mostov, Bill Thomas, Carl Schmuhl, Guy McLaughlin, Earl Kaiser, John James, and John Allen with whom to build next year's team.

Drennan returned to the Rocket nine after a year's absence, and resumed his fine play as a catcher. Fred feels at home in any position on the field, but it is behind the plate that he does his outstanding work. He can hit as well as he catches.

Another new recruit of the Blue and Gold team is *Clifford Siemens*, a capable catcher who comes to the Rockets with a fine high school record. Cliff will be an important factor in many of the games to come.

DRENNAN

SIEMENS

JANKOWSKI

SUMMERVILLE

Catcher *Joe Jankowski* is one of the important mainstays of the Rocket team. Joe can scoop them out of the dust with the accuracy of a major leaguer. He is rated as one of the best catchers in the Ohio Conference.

Experience as a regular man at Scott has made hard working *Norman Summerville* an outstanding candidate for the team. His short height does not hinder him in his position in the outfield, as was shown by his brilliant speed and accurate throws to the plate. "Norm" has one more year as a regular.

Schmuhl won himself a position in the Toledo outfield last year as a sophomore, and he is back again this year with added experience. Carl is a left-hander, and his batting from the port side of the plate has greatly aided the Rocket attack.

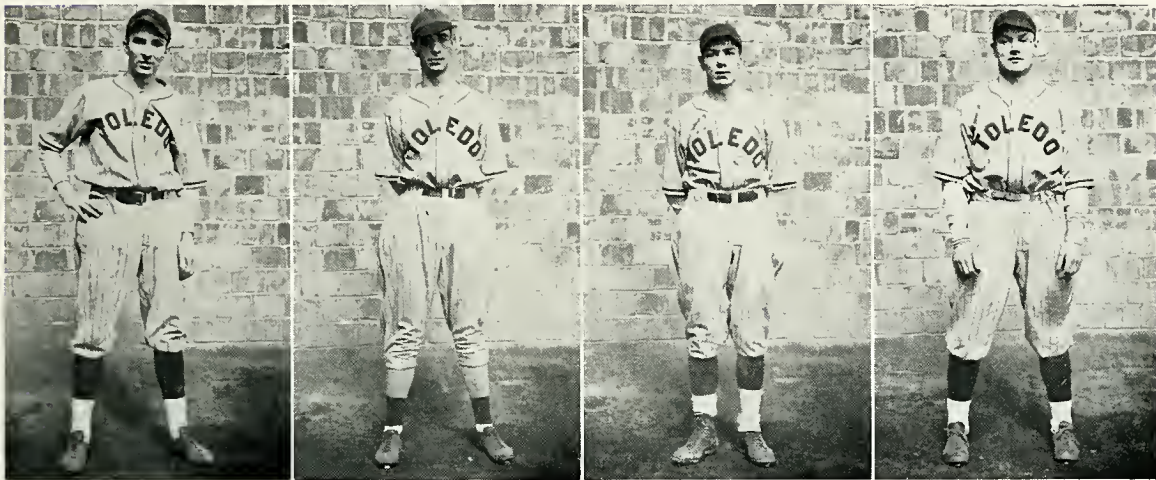

In his first year on the Toledo nine, *McDermott* is playing the first-base position like a veteran. His work around the initial sack is a great aid to the Rocket infield, while his batting ability has given him an important part in the offense.

SCHMUHL

McDERMOTT

THAYER

SOUTHARD

Gordy Thayer will be used as a utility player because of his all-around ability. He is a seasoned veteran around the keystone sack. He has one more year in which to play with the Rockets.

The infield was considerably strengthened this year by the presence of Ed Southard. Ed can hit, run, and field the ball well. He will return next year.

Johnny Dowd at shortstop has been an outstanding member of the Toledo infield for two years. His speed serves him well, and few ground balls ever get past him. Dowd's graduation this year will mean a loss to Rocket baseball.

Wiles has a long list of abilities that go to make him an outstanding outfielder. He is not only a consistent hitter, but he is also an unerring defensive player. Speed and a fine throwing arm can also be listed among his assets.

DOWD

WILES

SPRUNK

GIBBONS

Billy Sprunk received the second base position over the other candidates because of his accuracy in handling of the ball. He is a good man to have in there when a double play is needed.

When *Pat Gibbons* wasn't pitching, he was playing an outfield position so that his heavy hitting could be utilized as much as possible. Pat is a starting pitcher, and his ability at the plate made him a double threat to opponents.

Jake Folger, in holding the thankless job of baseball manager, was given the heavy work of guarding and distributing the equipment. Jake, himself a substitute outfielder on last year's team, was extremely popular with the members of the team. Besides attending his job well, he was responsible for much of the spirit on the field.

Lippincott is new to University baseball, but he has already established a reputation with Toledo amateur teams. Norm is a member of Connelly's fine pitching staff, and, like the others, can be depended upon for a good performance on the mound.

The Rocket golf team finished the 1933 season with a fairly well represented standing, winning four and losing three. Johnny Meier was the star player for the Blue and Gold, dropping only five points out of a possible twenty-one. The members of the squad were John Meier, William Richardson, Kenneth Sanson, Thomas Gillooly, John Weber and Al Baumgartner, Captain.

The 1933 season standing is as follows:

Detroit U. 11	Toledo U..... 7
Dayton U. 16	Toledo U..... 2

INTRAMURALS

It is the purpose of the Intramural branch of the physical education department to encourage the men of the student body to participate in organized athletics and in wholesome recreation. Through the twenty-two different sports, a record of individual competition and an expansion of the intramural program, the athletic directors feel that this department has achieved its purpose.

BOWLING

Although bowling was a new sport for most of the contestants, the sport was actively engaged in by a large field of fraternity men. Chi Beta Chi finally emerged with the laurels of this event. Sigma Delta Rho, Alpha Phi Omega, and Sigma Beta Phi followed the leaders in the order named.

BOXING

The finals of the boxing matches were lively preliminaries to our basketball games. Sigma Beta Phi's team, placing two men, won over the other fraternities. Division winners were: Peyton, Najarian, Southard, DiSalle, Graham, Fraser and Wolfe.

BASKETBALL

The inter-fraternity basketball tournament was taken by Sigma Beta Phi. Charles Cupp, who was high individual scorer, led the Sigmas to their win. Chi Beta Chi and Alpha Phi Omega finished second and third respectively.

Members of the all-fraternity team selected were: Cupp, Schlaff, Jacobs, Kumpe and Smith.

VOLLEY BALL

A rangy team captured the inter-fraternity volley ball competition for Alpha Phi Omega. Chi Beta Chi and Sigma Delta Rho were second and third respectively. The all-fraternity team chosen consisted of Jacobs, Arkebauer, McLaughlin, Southard, Gibbons, and Hummel.

WRESTLING

Amid shouts for broken arms and twisted toes, the Alpha Phi's emerged victorious in the annual inter-fraternity wrestling competition. Sigma Beta Phi and Sigma Delta Rho tied for second place. Winners of divisions were Papp, Vinson, P. Meier, Teel, Bolton, Najarian, and Rehm.

TRACK

Sigma Beta Phi's track team easily defeated the field of contestants. John Wickter was individual star piling up 20 points. Chi Beta Chi, Phi Kappa Chi, Sigma Delta Rho, and Alpha Phi Omega finished in that order.

SWIMMING

Alpha Phi Omega, with a strong team, scored 21 points to win the inter-fraternity swimming meet. Rex Shaw and Larry Algeo led the Alphas to their victory. Phi Kappa Chi, Sigma Beta Phi, Chi Beta Chi, Sigma Delta Rho, and Chi Rho Nu finished in the order named.

Good leadership and good advisory guidance are two things an organization needs to be successful. In W. A. A. the leadership is furnished by Frances Lanker, its small but ambitious president, and the guidance by Mrs. Marian Richley, who is keenly interested in the club activities. Their spirit of com-

radeship and friendliness, and their ideals of good sportsmanship have spread through the organization making all its activities, social and physical, successful.

With the help of the organization, Frances and Mrs. Richley planned a diversified program including a roller-skating party, a hike, a play day with Bowling Green, and a dance. These activities are arranged to fulfill the four major objectives of the organization, the promotion of health, physical efficiency, social activity, and true sportsmanship.

Sept. 26—Open House Tea—Virginia Vizneau and Dorothy Krepleever shared honors as co-chairmen.

Oct. 6—Roast and ten mile hike to Maumee—Marteen Bowie head of hiking made arrangements. Champion hiker, Dr. John J. Seiler, went too.

Oct. 10 and 11—24 and 25—Archery Tournaments and Columbia rounds—Helen Fuller, archery head, says the tournament will be continued in the spring.

Nov. 3—Homecoming football game—also W. A. A. homecoming activities—Emily Sherman was chairman for the entertainment which included a hockey game, indoor games, and a delicious luncheon, with lots of former W. A. A. members attending.

Nov. 20—25—Interclass hockey tournament—won by the freshmen.

Nov. 20—25—Interclass speedball tournament—won by the senior-soph team.

Nov. 27—Army-Navy hockey game. Teams made up of "shots" from all the class teams. Exciting, clean game—ended in a scoreless tie. Followed by victory spread in the W. A. A. social room in honor of the winner of hockey Army-Navy game. Every one was honored. Then initiation of 29 new members into W. A. A. Luelva Wernert, membership chairman, was in charge of the formal candle initiation ceremony.

Nov. 28 to end of semester—Zeta Gamma Phi sorority team was sorority champ but was defeated by Brezvai's independent team for the T. U. title. Freshmen again took the class championship in a closely played game with the seniors, who up to that time had 100%.

Dec. 11—15—Health week under the leadership of the vice-president of W. A. A., Betty Schwarzkopf. Notice all the good results around school since those priceless posters and lectures appeared.

Jan. 24—W. A. A. Prom—with men too. Quite unusual for W. A. A. Ginny Blanchard was chairman. Had cute programs, and even eats.

Feb. 1—Basketball season closed. Large attendance—99 began practice and 58 finished.

Feb. 19 to March 19—Psi Chi's won sorority championship and independents captained by Gladys Hamilton were champs. Independents defeated the sorority for school championship. Nice going independents.

March 19 to April 14—Class tournaments. And what games! Some classes had two teams and some three entered. That's the spirit!

March 23—Roller skating party at the Y. W. C. A. had good eats and lots of fancy "spills."

April 9—Helen Scarlett was elected president of W. A. A. Keep up your chin Scarlett.

April 13—Oh, a Friday the 13th—not bad luck for us. A glorious day and a glorious time for our Bowling Green Play Day.

April 16—Beginning of the baseball season. Oh, it is grand to be out-of-doors again. Tennis season starts—also golf.

April 17—Badminton tournament.

April 26, 27, 28—Frances Lanker, Lois Bussdieker, and Helen Scarlett go to Denison as representatives of W. A. A. to a convention of A. F. C. W.

May 1—30—Baseball, golf, and tennis tournaments.

May 11—All-county Women's Play Day. Something new for T. U. and a great success.

May 14—Installation of officers.

May 28—Swimming meet at Y. W. C. A.

June 7—Spring banquet and final awards. Good-bye seniors.

*HOCKEY*

At the close of one of its most successful seasons, the Freshman squad took the honors in the hockey tournament with two wins and one forfeit. A total of sixty-four coeds received team credit.

After the last tournament game the outstanding players were placed on teams by Julia Brezvai, head of this sport, and Mrs. Richley. Maxine Walser was chosen Admiral of the Navy team while Julia Brezvai was elected General of the Army. The game ended in a scoreless tie.

Some of the most outstanding players of the season were Lois Bussdieker, Maxine Walser Gladys Hamilton, and Dorothy Jane Pollock.

SPEEDBALL

"We want a touchdown" and "Get that ball!" were familiar cries of the coeds while playing speedball this fall. Speedball, a fast exciting game, which is a cross between soccer and football, took the place of soccer in the fall schedule.

The feminine contestants playing this game may punt, pass, dropkick, and make touchdowns, which makes the sport similar to football.

The class championship was won by a speedy Senior-Sophomore team. Keen competition was marked during this season, managed by Virginia Vizneau, head of speedball.

VOLLEY BALL

The game of volleyball went over with a bang this season with approximately 125 women participating. Under its head, Aubrey Mather, it was successfully handled and games were arranged for both Sorority and Independent Teams.

The Independent team captained by Julia Brezvai emerged victorious by one point—in a thrilling and well-played game with the Zeta Gamma Phi, the Sorority Champions. Members of the winning teams were: Julia Brezvai, Gladys Hamilton, Euvon Crawford, Dorothy Bearss, Marjorie Smith, Frances Ford, Barbara Ourand, Edythe Menne, Louise Roper, Charlotte Keeler, Luella Behm.

BADMINTON AND TENNIS

The game of badminton is rapidly gaining the keen interest of the girls. Under the leadership of Lois Bussdieker, many girls turned out for this rather new and popular sport. It finished off with a big bang as Lois Bussdieker carried off the winner's honors.

A tennis tournament was scheduled for all the girls who had fulfilled the required number of practices. The girls played only members of their respective class on any park wished. Thus it proved to be a new and interesting activity under the head of Dorothy Krepleever.

BASKETBALL

That old ball loves to roll around the rim and fall to the wrong side, and it had its fling this year. The season this year proved to be very exciting. Many of the games were won by only a small margin. The independent team of Gladys Hamilton defeated the Psi Chi's, sorority champs, for the title. Helen Scarlett, head of basketball, was also one of the flashy players of the season.

ARCHERY

Archery—zip, are you a straight shooter? This entertaining sport is a good test for your nerves. Steady, steady, let it go. We might call its followers the merry women of Robinhood.

One can often see a member of the fairer sex getting in shape for one of the many tournaments held throughout the year. One of the most ardent and interested followers of this division is Helen Fuller, head of archery.

SWIMMING

"Stroke, stroke, keep your head in the water." Thus the swimming season started this year at the Y. W. C. A. The women participants progressed so well during the first semester that a Red Cross Life-Saving class was organized and well attended by many ambitious women. This summer you will see several new badges proudly displayed on swimming suits. The credit for the success of this sport goes to Maxine Walser, a diligent and steady worker. The season was finished on May 28 by a meet between the sororities and individual participants.

BASEBALL

Whiz! There goes the ball right through your grasping fingers. Helen Conn has sent another fast ball beyond the last outfielder. The very mild spring weather has encouraged more than one studious woman to forget her studies. Baseball draws more participants than any other sport during the year. It also allows the university women their first coat of tan of the season. Last year the freshmen won the baseball tournament, and it looks equally as promising for them this year.

INTERSORORITY PARTICIPATION

Since participation of all is the keynote of women's sports, the Women's Athletic Association feels that it has added to its accomplishments by stimulating sorority interest to such an extent that representation has been decidedly increased.

Each group elects or appoints one girl to keep the others posted about practices and scheduled games. Thus, every organization is awarded points according to the number of members participating in proportion to sorority.

The sports which are included for credit are hockey, speedball, volleyball, ping pong, deck tennis, basketball, badminton, swimming, tennis, archery, and golf.

Percentage standings of the campus sororities are as follows:

Zeta Gamma Phi	66.6
Psi Chi Phi	31.2
Phi Theta Psi	30.1
Alpha Tau	24.2
Tau Delt	23.8
Pi Delt	17.8
Kappa Pi Epsilon	17.7

The president-elect for 1934-1935 is Helen Scarlett. The organization expects to make great progress with her help.

"T" JACKETS

Sportsmanship, skill in sports, sociability, and scholarship are four qualities a girl must possess to earn a "T" jacket. The Jacket is the highest award that the W. A. A. gives to a girl. When it is awarded it means that the girl has been an active member of W. A. A., has participated in its social functions, has maintained a scholarship level of at least a "C," and has played on fifteen class teams.

Many smaller awards precede the jacket. A girl first receives a shield which signifies that she took part in a sport during three consecutive seasons. The next step is the bar pin, the award given after the girl has earned five team credits. When she has earned five more, she is given a large "T."

After the girl has made five more teams, and after receiving her "T" she is given a jacket. Among the fifteen teams, the girl has probably played hockey, soccer, speedball, volleyball, basketball, baseball, tennis, golf, ping pong, deck tennis, and gone swimming, hiking, and horseback riding. She has acquired some skill in these.

At the end of the 1934 spring season, eight seniors and four juniors have won a jacket.

CAPTAINS

HELEN SCARLETT.

T. U.'s smile girl still keeps her sunny smile in a basketball game. Helen was an excellent shot and could always be depended on to break at the right time. She is W. A. A.'s next president.

DOROTHY KREPLEEVER.

Smooth footwork, clean strokes,

and perfect timing made Dottie a hard-to-beat tennis player. Dot's a senior this year, and will be missed by her many friends at the gym.

EDNA LIEVENS.

The head of golf is one of those steady dependable people who can be counted on to do her part. Edna will be back next year to continue taking part in W. A. A. activities.

HELEN FULLER.

Pete is the third Helen on the board. Her skill in archery, especially in hitting the bull's eye, is well known by all those who shot with her. Pete will be Vice-President of W. A. A. next year.

VIRGINIA VIZNEAU.

Ginny's speed was a valuable asset in speedball and in other sports. Through her management a successful speedball tournament was played. Ginny is a senior who will be missed next year, for she was active in all W. A. A. affairs.
